<u>TOPIC</u>	<u>INFORMATION</u>	<u>DECISION OR ACTION PLAN</u>
I. Welcome	---	---
II. Introductions	---	---
III. Approval of Minutes	Minutes from March 12 meeting were reviewed and approved.	
IV. Stabilization Center A. Debrief of Tuerk House tour B. Creation of Stabilization Center Subcommittee <ul style="list-style-type: none"> Charge of Subcommittee Frequency of Meetings 	<p>Rick Hong reported that a small group attended the Tuerk House Tour. He stated that it was very informative. They learned about some of the challenges and successes in starting the center and that they are expanding.</p> <ul style="list-style-type: none"> The group discussed. Some concerns were that there was not enough data and there was some concern about the medical component. A question was raised asking if the stabilization center needs to address places that can receive both mental health and substance abuse, it was agreed that both need to be managed. <p>The group discussed the creation and charge of a Stabilization Center Subcommittee.</p> <ul style="list-style-type: none"> The group identified that the charge of the Subcommittee could include addressing timeliness; dealing with behavioral health; trying to keep people engaged in treatment; defining what type of services could be done by telemetry versus face to face; transportation; and exploring levels of care. 	<p>A motion was made to start a Stabilization Center Subcommittee, the motion was approved. An email will be sent requesting volunteers and/or recommendations for the subcommittee. Once members are identified they will start planning meetings.</p>
V. Emergency Department Change Packet <ul style="list-style-type: none"> A. Major Components B. Naloxone Kits for ED & EMS Leave Behind 	<p>Elizabeth Romero stated that some of the components of the change packet include increasing screening for fentanyl; the induction of MAT in the ER; peers in the ER; and workflows. Rick Hong stated that they will send a copy of the packet to the group. They will be adding components, and ask for input from the group. The group discussed.</p> <p>Diane Hainsworth reported that they have looked at four states that currently have Naloxone leave behind in place, they have created a report that will be</p>	

	shared with the group. The program gives EMS and possibly law enforcement the ability to leave behind Naloxone at a scene. They have received a SAMSA grant that will provide the funding for the Naloxone.	
VI. Announcement of the HRSA RCORP Grant Award A. Establishment of Rural Subcommittee B. Next Steps	<p>Diane Hainsworth reported that Public Health was awarded a HRSA grant from the Office of Rural Health, to look at substance use disorder in the rural population. This year is a planning series, the primary role will be data collection and analysis on substance use disorder within rural communities; assessment of what prevention, treatment and recovery options are in that area; complete a gap analysis, work plan and sustainability plan.</p> <p>She stated that they would be asking for volunteers to serve on a rural subcommittee. It was pointed out that to be on a subcommittee one does not need to be a member of the main committee.</p>	
VII. Round Robin of current OUD Efforts	Secretary Coupe reported on law enforcement. He reported that New Castle County police are continuing their Hero Help program. Georgetown PD has partnered with Connections. Smyrna PD is doing a similar program. DSP Troop 3 is looking at partnering with DSAMH.	
VIII. Adjournment	Meeting adjourned at 10:45 am.
